Parsifal Expands with New Midwest Office Location

Palm Bay, FL, (August 13, 2015) – [Parsifal Corporation](#), the leading procurement and audit firm in the global relocation industry, has opened a new office location in Petersburg, IN. The expansion has been necessary to respond to the double digit growth in 2014 and continuing in 2015 as well. Parsifal services and technology support has been expanded and realigned at its existing offices in Waterville, ME and the corporate headquarters in Palm Bay, FL to meet the growing needs of the global clientele.

Michael Van, Chief Operating Officer at Parsifal, states that, “this kind of growth always presents a challenge, particularly in the relocation auditing department. Our planning is well organized and exacting in execution as we look forward to the continued growth.” Parsifal provides outstanding relocation auditing results with the use of their own, innovative PAS™ Technology. The accuracy and unmatched protection of this technology is attributed to integrated, proprietary features such as VeriWeight™ and AccuScan™.

The Petersburg office, located at 518 Main Street, will currently focus primarily on auditing, but all the Parsifal locations touch on the array of support services including billing, consulting, policy exception management and RPT or relocation procurement technologies.
