## Parsifal Exhibiting at Worldwide ERC® GWS 2018 in Seattle

---

Palm Bay, FL, (October 11, 2018) – [Parsifal Corporation](#), the leading industry Household Goods procurement and audit firm, will be exhibiting (booth #541) at the Worldwide ERC® - Global Workforce Symposium 2018, next week October 17 – 19 in Seattle, at the Washington State Convention Center. Worldwide ERC® expects a large response from the international mobility community of more than 1,800 participants including “industry builders and next generation thought leaders.” Parsifal will be presenting a full range of new and existing relocation support services, such as its mainstay relocation auditing program and their innovative RPTs (relocation procurement technologies). In addition, Parsifal will focus on its HST™ Home Sale Transaction Audit service, and the MMI™ or MoveMetric® International procurement technology.

“Our HST program confirms and justifies charges are traceable, contractual and reasonable,” explains Mark Olsen, Parsifal President and CEO. While the home sale process is typically the most costly and complex part of relocation, the invoice can be organized into simple and easy to read categories through the HST™ audit process. In June of this year, Parsifal also exhibited at the exciting SHRM2018 conference in Chicago, presenting the procurement technology known as MyReloWorks® with special features ReloVideo™Tour and PriceGuard™.

The exhibition hours at the Global Workforce Symposium will be: Wednesday, 10/17 from 4:30 PM to 7:30 PM; Thursday, 10/18 from 10:00 AM to 11:00 AM and 4:15 PM to 6:15 PM. At all events, Parsifal has proudly presented solutions that offer Bidding, Booking, Billing and Auditing features and support with procurement sophistication never before successfully utilized in the Household Goods industry. In this way, Parsifal continues in a history of nearly 40 years, providing for exceptional ‘*accuracy, protection and fairness*’ for their clients and all parties involved.

---

Parsifal is the world's leading firm providing relocation auditing services and procurement technology, touching moves in over 120 countries around the globe.
