Parsifal to Exhibit at Global Workforce Symposium 2019 in Boston

Palm Bay, FL, (October 10, 2019) – [Parsifal Corporation](#), the leading industry Household Goods procurement and audit firm, will be exhibiting at the **Worldwide ERC® - 2019 Global Workforce Symposium at the Hynes Convention Center on October 16th through the 18th**. Parsifal will be presenting a full range of new and existing relocation support services, such as its mainstay auditing program, and innovative RPTs (relocation procurement technologies.) Major focus will be given to the PAS™ Technology – Parsifal’s Audit System, a comprehensive software allowing client real time access. A Parsifal recent software development, ReloSnap™ provides *Real-time Weight and Volume Approvals*, moving the audit upstream so that every shipment can be verified for weight or volume within a few hours after the shipment has loaded.

In addition, Parsifal’s newest relocation management technology will provide a complete *end-to-end*, plug-in application for the entire spectrum of the shipment process. Mark Olsen, President and CEO, explains that “this technology features policy/estimate verification, pricing comparisons, booking assistance, supplier coordination, billing, audit and data transfer for client billing/supplier payment”. Parsifal applies a long history of HHG Subject Matter Expertise (SME) to all of its services including relocation procurement, billing support, service evaluations and consulting.

At all events, Parsifal will proudly present solutions from booking to billing along with auditing sophistication, features and support found nowhere else in the industry. In this way, Parsifal continues in a history of nearly 40 years, providing for exceptional ‘accuracy, protection and fairness’ for their clients and all parties involved.
