Parsifal Relocates Offices in Fairfield Maine

Palm Bay, FL, (March 15, 2018) - [Parsifal Corporation](#) has moved their Waterville, ME offices to a new larger location in Fairfield, ME. The stand-alone building is located in a newly developing but quiet and beautifully wooded industrial park, with convenient and close access to interstate 95. Built in 2002, Parsifal purchased this relatively new commercial building early in 2018, providing a total of 14,037 sq. ft. of usable working space, on a large lot of 3.14 acres. Mark Olsen, Parsifal President and CEO states that, “This new building provides Parsifal with the expanded and well-designed office and operational space to meet the needs of our business growth over the next several years.”

The new Fairfield offices complement the efficient use of the Parsifal staff working at other US locations including Palm Bay, FL and Petersburg, IN. The building has the basic design that is well fitted to the Parsifal style of conducting business, allowing management to update the space with relatively minimal renovations. Much planning and efforts were made to enhance the office and general areas to maximize the staff working efficiencies along with maintaining a pleasant working environment. The building features two accommodating conference rooms, 14 private offices, and four large “department” areas to allow for separate workflows and a large modern training room.
